Attire: It is important that campers have appropriate attire for riding. This includes close fitting pants or jeans, tough boots that cover the ankle with at least a ½" heel, (such as rain boots) and thin gloves (such as garden gloves) MJM Riding School will provide an ASTM certified helmet to all riders at no charge. ALL riders will be required to wear a helmet when riding or working around horses. Wearing riding attire such as breeches, paddock boots and half chaps is also encouraged. Any camper that does not come to camp with riding attire will not be permitted to ride as it is a safety concern.

Our camps run all year round in different types of weather so please also dress your child appropriately for the weather with lots of layers when needed. In the summer months a change of clothing for water games or shorts for when not riding horses is recommended.

Food: Please pack a peanut free lunch, snacks and lots of water. Our facility is in a rural area on a well system and our water is non-potable. Please pack all the food and water your child will require for the day.
